

My Breasts

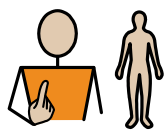

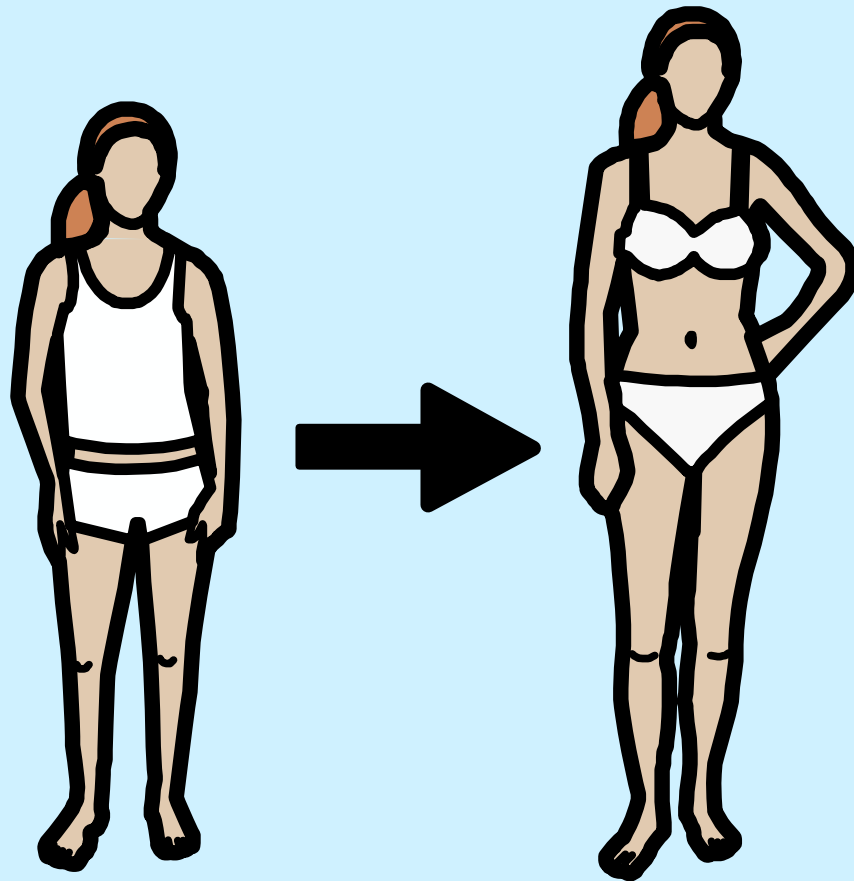

I

am

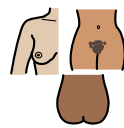

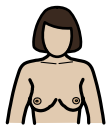

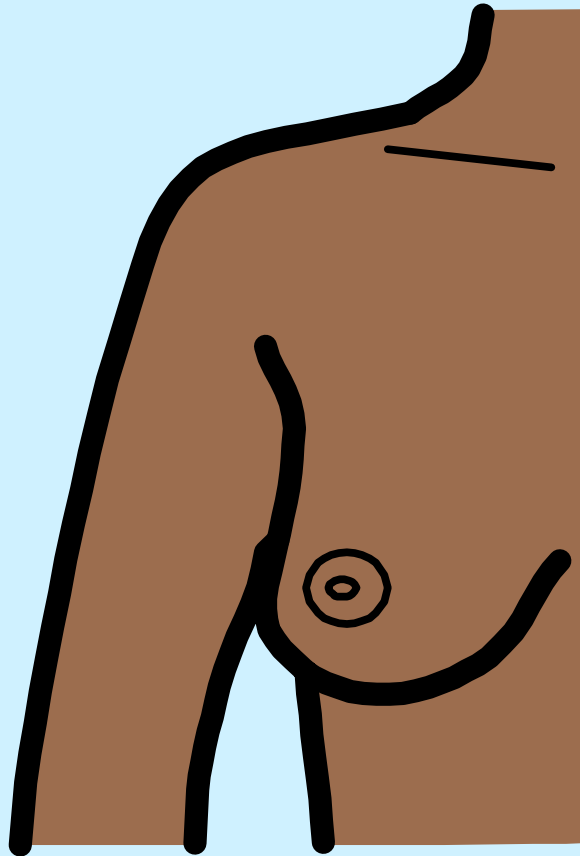

growing up.

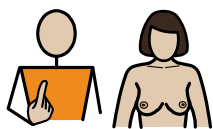

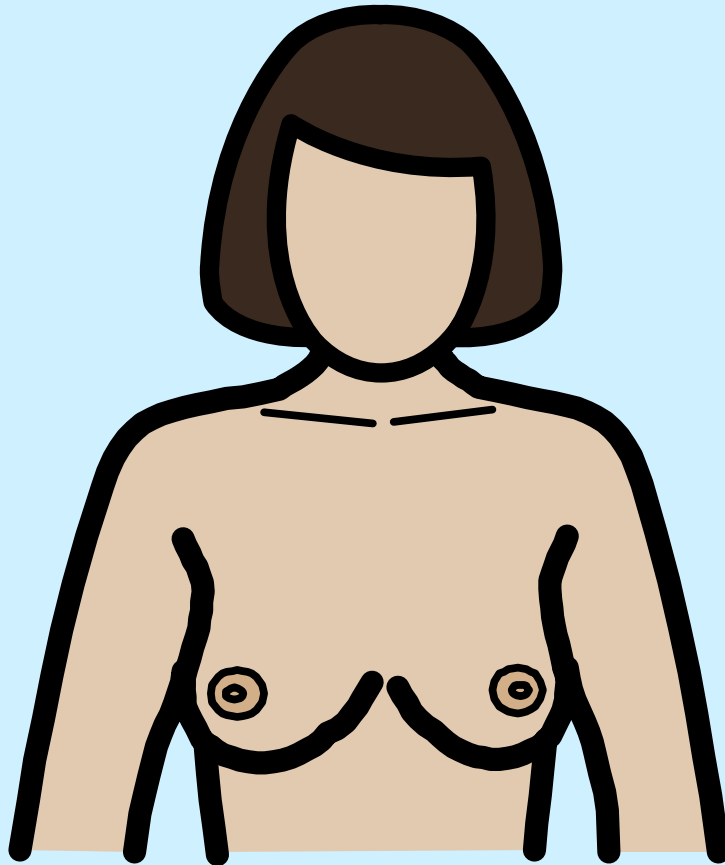

My body is changing.

Breasts are a private part.

My breasts

will

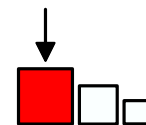

grow

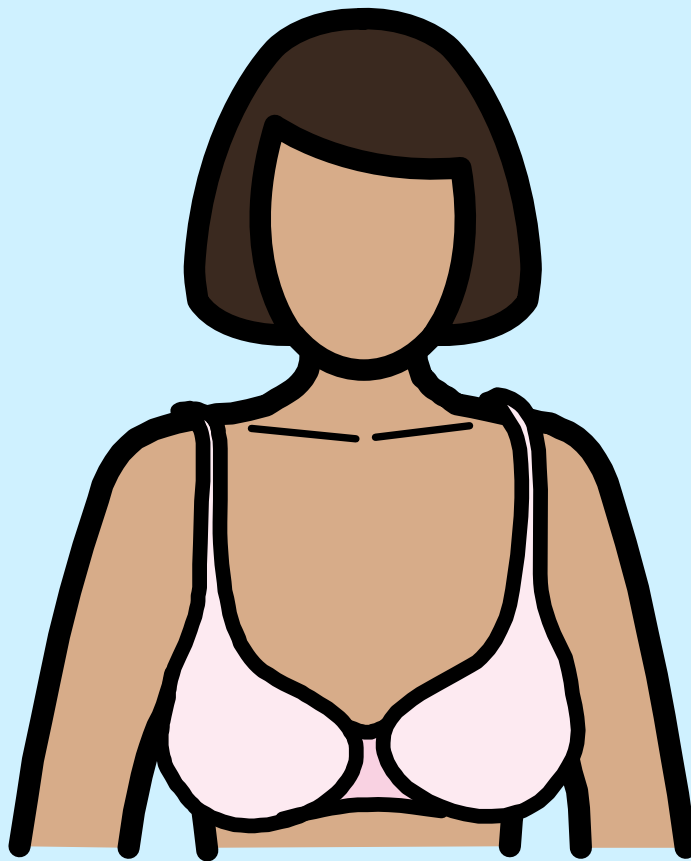

and

get

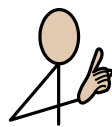

bigger.

I

might

need

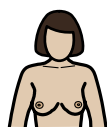

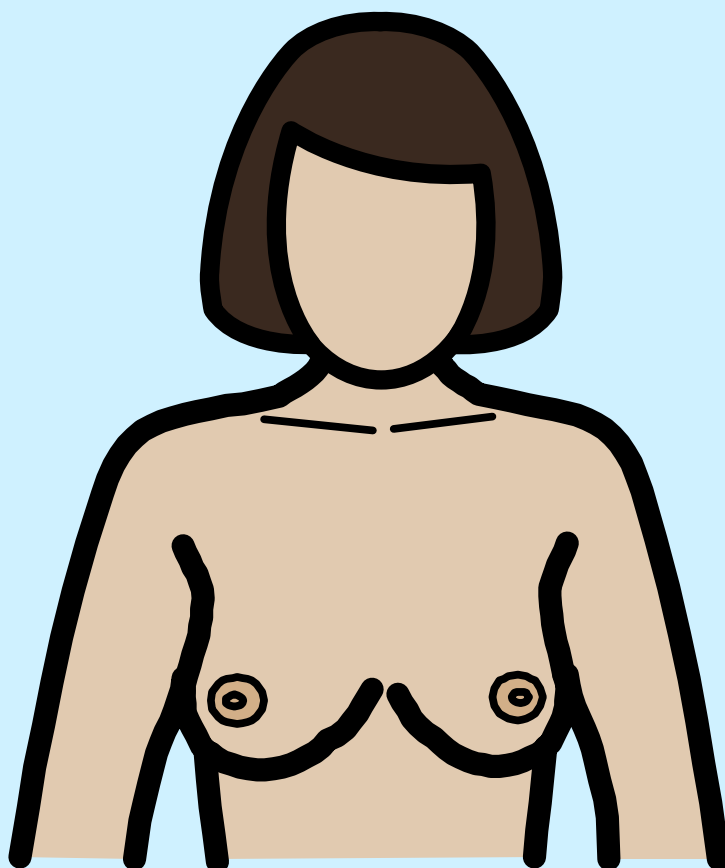

to wear

a

bra.

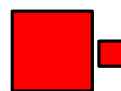

Breasts

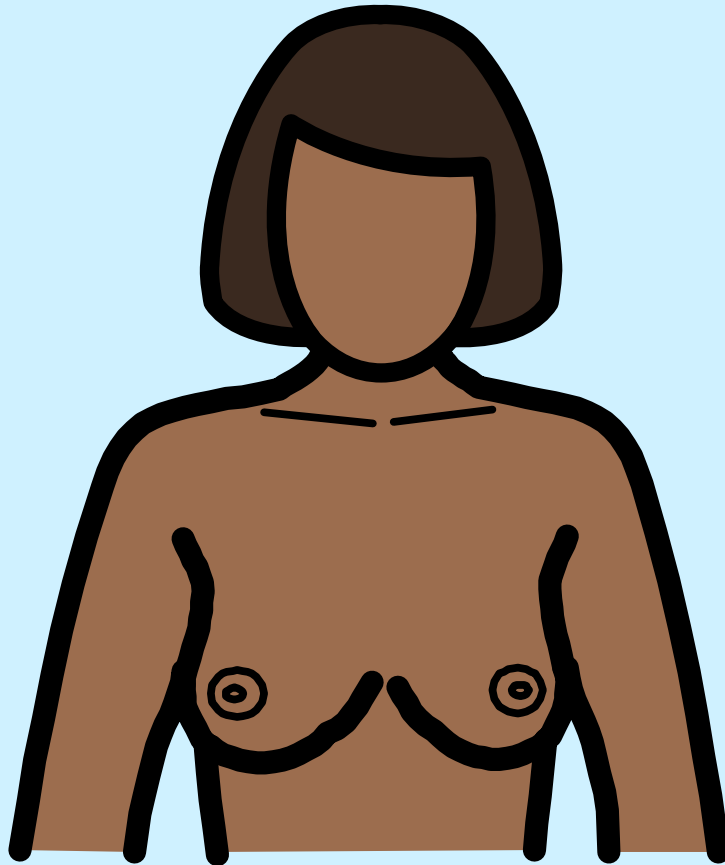

can

be

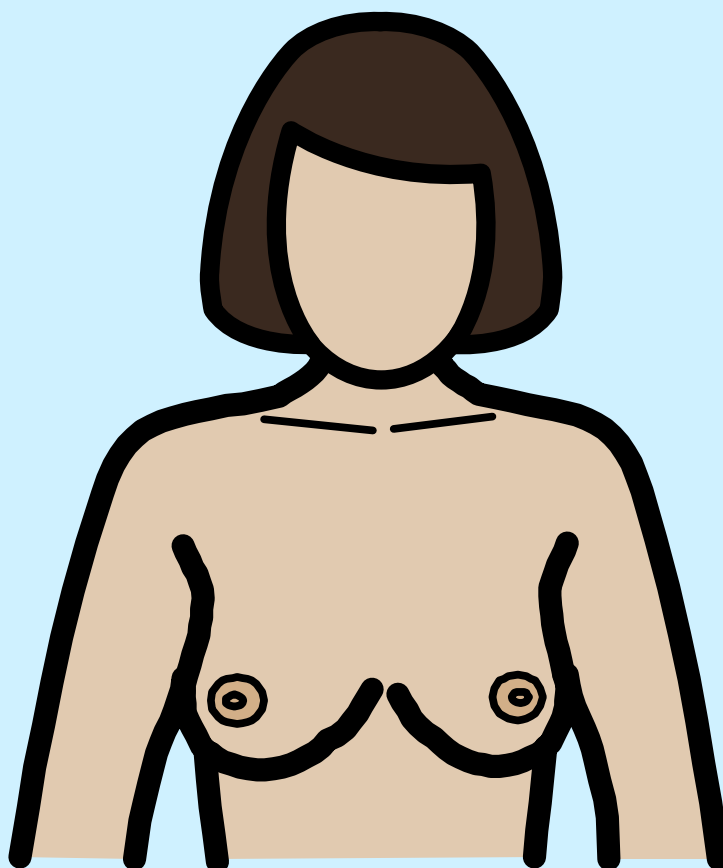

different sizes.

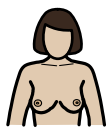

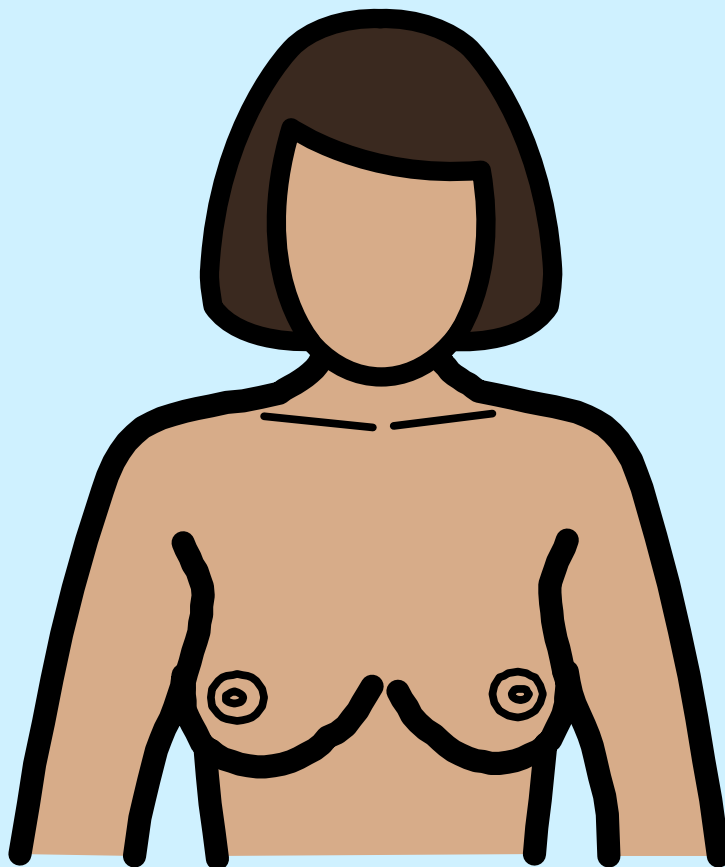

Some breasts are small.

This is OK.

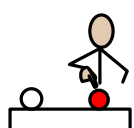

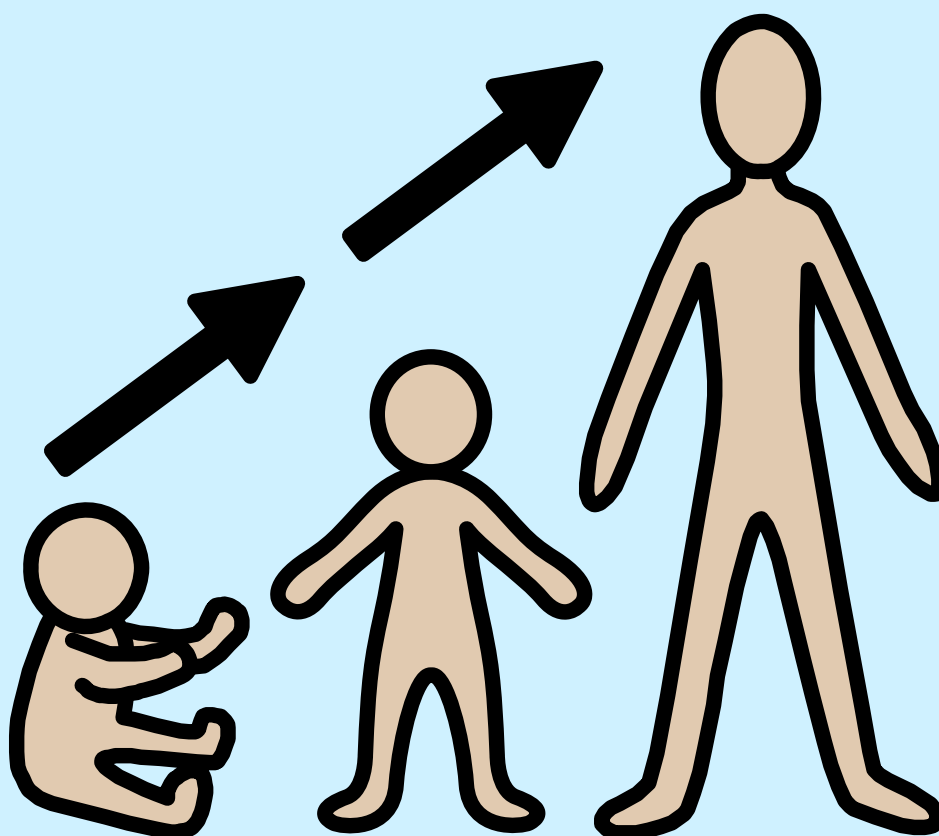

Some breasts are big.

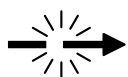

This is OK.

Breasts are normal.

This

is

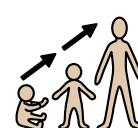

happening

because

I

am

growing up.
