 We can build sand castles in the sand.

 Even a palace and fort.

 We can build entire lands.

 Fly to them from an airport!

 We
  can
  play with
  our
  dog.

 Watch
  him
  swim in
  the sea.

 See
  him
  jump
  =
  a frog.

 Watch
  him
  run with
  glee.

 We
  can
  hunt
  in
  rockpools.

 Find
  some
  crabs
  and
  little
  fish.

 The way
  the shrimps
  jump
  is
  cool.

 They
  twist
  and
  turn
  and
  swish.

We

can

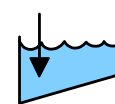

dig for

treasure.

Burrow

deep

in

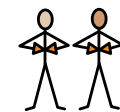

the sand.

Imagine,

oh, the pleasure,

If we

find

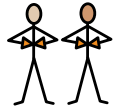

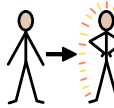

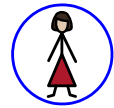

a fairy

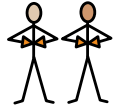

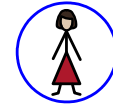

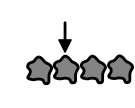

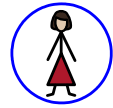

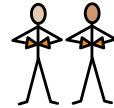

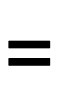

land.

 We
  can
  get
  very
  messy.

 I'm
  sure
  mum
  will not mind.

 We
  can
  make
  her
  something
  nice.

 She will
  think
  we
  =
  very
  kind.

 We
  can
  go
  exploring
  too.

 On
  the rocks
  and
  by
  the sea.

 Maybe
  do some fishing.

 We
  might even
  catch
  our
  tea!

 We
  can
  build
  cities
  with
  rocks.

 Decorate
  them
  with
  shells.

 We
  can even
  build
  some
  tunnels.

 And
  a pretty
  pebbly
  well.

 It feels so good to find things.

+ 

 And share them with a friend.

 + 
 Shells, fossils and fishes' fins.

 Beach wonders never end.
